The screenshot shows a Windows desktop environment. At the top, the title bar of the 'IDLE Shell 3.10.6' window is visible. The main area of the shell displays the Python 3.10.6 version and build information. Below the shell window, the Windows taskbar is visible, featuring a search bar, several pinned application icons (including Word, PowerPoint, Chrome, and Edge), and system tray icons on the right showing the temperature (30°C), time (16:59), and date (15-11-2022).
